Featured Speakers

✚ **Robert Tennyson Stevens**, Developer and CEO of Mastery Systems Corporation, is a pioneer in the influence of language, imagination, facilitation, and body language on activating and enjoying our dreams — now. In providing personal, team, and corporate facilitation and coaching for more than 30 years, Robert has developed systems for attaining heartfelt outcomes quickly.

He is a masterful facilitator of individuals and organizations that choose to transform their lives into healthy, creative, loving and fulfilling experiences. Having demonstrated the influence of thought, word and feeling on manifestation with thousands of people, Robert created a unique curriculum of personal and professional empowerment technologies called Mastery Systems.

✚ **Dr. Donna Starita DVM and Medical Intuitive** is the owner and director of A Place for Healing, Center for Vibrational Medicine for Animals and People in Damascus, Oregon. Dr. Starita is a graduate of Rutgers University and the Ohio State College of Veterinary Medicine. After several years of conventional practice, enlightened clients and her family's own health challenges led her into the exploration of alternative healing techniques, and later, vibrational medicine for animals and people.

Dr. Starita has 30 years' experience in veterinary practice and 25 years in alternative healing and vibrational medicine. Her areas of expertise and current study include radionics, medical intuition, the human-animal bond, homeopathy, Rife therapy, distance healing, nutrition, spiritual evolution, herbal and glandular therapies, gem and flower essences, emotional release therapy, and the use of color and sound to heal. A wonderful teacher!
